The action taken by the D.G. Com is under the Mer Regn. For the gross and persistent mismanagement must be proved. So far as Com before them was the D.G. 9.1.26.

The DJ Comr. enquiry and the reports of the enquiry sent up by the DJ Comr show that the allegations contd. in Shama Rao's petitions are all groundless. But as no accounts of receipts & expdre are kept by the men in charge of the temple, and as one of them Venkataramaniah has been setting up an exclusive title for the mutt., the DJ Comr has ordered the temple being taken under Govt. management. It states that a set of Shanabhogs will be appd as soon as the Amildar takes charge of the mutt.

The DJ Comr's order seems to require right. The M.C. Comr may be recommended, with the request that early action should be taken to appoint a set of Shanabhogs and to sanction a scale of income & expdre

Also the books & accts may also be called for. The above suggestion may be approved

desire was to see that the high degree of sanctity, piety and prestige which this ancient Peeta founded by the renowned Vidyaranya at one time enjoyed was in some degree restored. And it is this desire that actuated them in vetoing unhesitatingly the claims of the two candidates ~~x~~ that were openly and avowedly urge at the meeting and in leaving the matter in the gracious hands His Highness the Maharaja.

The members present were well aware that there was some attempt to put forward local candidates by persons connected with the Mutt in recent years and they were determined to set their face against that attempt also.

5. One other matter requires special reference. It will be recalled that the Sri Onkaranandanatha Swamigalavaru claims to have received " Bahudaka " Sanyasa from the late Sri Vidyasankara Bharati Swamigalavaru of the Mutt and on this ground he bases his claim to succeed to the Peeta. The representatives on behalf of the Swamigalavaru produced before the audience what evidence they had in support of this contention, viz., the alleged "Srimukha" from the late Swamigalavaru to Sri Onkaranandanatha Swamigalavaru where the expression " " is used, the petition of the citizens of Rayavellore supporting the contention of the giving of Asrama by the late Swami to Sri Onkaranandanatha Swami, various representations from Bangalore, Dodballapur and elsewhere asking for the appointment of Sri Onkaranandanatha Swamigalavary etc., etc.,. A copy of the "Srimukha" alleged to have been written to the claimant Swamigalu by the late Swamigalu of the Mutt sent by the former and received in this office after the meeting is also enclosed for perusal. The majority of the audience were not in a mood to accept the contention on behalf of Sri Onkaranandanatha Swamigalavaru and some of the members openly challenged the claim (Vide proceedings).

Among the gentlemen who took part in the discussion besides those already mentioned who spoke in favour of Sri

Onkaranandanatha Swamigalavaru were Mr. L. Venkatesaiya, B.A., B.L., Advocate, and Member, Legislative Council, Mr. V. Nageswara Iyer, Pleader, Kolar, Mr. Narasimhaiya, retired Kanada Pandit of the Government High School, Kolar, and a Kannada Scholar, and several Loukika and Vaidika gentlemen of respectability and standing spoke against the views expressed by the advocates of Sri Onkaranandanatha Swamigalavaru.

There is a certain amount of feeling that the selection of a successor should be confined to the Velnad sect of Andhra Brahmins on the ground that the Mutt is a Velnad Peeta. I can discover no authority for this proposition and several of the Velnad members themselves present at the meeting did not support it and advocated a selection from a wider field. At the request of the Bangalore and Doaballapur representatives votes were taken on this point and it was found that 40 were for selection from among the Velnad sect and 41 against such a limitation.

Finally, it gives me great pleasure to record that Mr. P.R. Subramanya Sastri on behalf of the meeting expressed satisfaction at the impartial manner in which the meeting was conducted and the wide latitude that was given for the free expression of all views on the subject.

7. Before concluding it may perhaps not be out of place if I should express my own personal views on the question formed after a free and frank consultation with many leading gentlemen genuinely interested in the welfare of the Mutt. For reasons already expressed in my D.O. letter No. O.C. 2486/24-25 dated 7-9-1925 it seems to me that the nomination of Sri Onkaranandanatha Swamigalavaru alias Sri Brahmavidyanandanatha Bharati Swamigalavaru now at Bangalore would not give satisfaction to a large majority of the devotees in this district Nor is it desirable to select any one closely connected with the members of the family who in recent years had the management of the Mutt under their control. For these reasons I think that the resolution adopted

at the meeting that the nomination may be left in the hands of His Highness the Maharaja is a very wise one and deserves favourable consideration.

The petition received with your letter No. 1226/24-25 dated 25th September 1925 is herewith returned as desired.

1. His Holiness the Swami of the Velnad Mutt at Avani in the Kolar District passed away a few months ago. Dear Mr. Hiriyannaiya,

With reference to your letter dated 3rd October 1925 to the Huzrat Commissioner reporting the proceedings of the meeting held by you on the 20th September 1925 in connection with the nomination of a successor to the Avani Mutt, I am directed to request you to furnish information on the following points:-

No. 6.C.2486/24.-25

Confidential. Office of the Deputy Commissioner, Kolar Dist.

Dated, Kolar, 16th November 1925.

Dear Sir,

With reference to your D.O.letter No.534/Muz.268-24-8 dated 5-11-25 asking for information on certain points concerning the meeting held in connection with the nomination of a successor to the Avani Mutt, I write to state as follows :-

(i) It is not possible to give exactly the total number of persons who attended the meeting as attendance was not marked but may state that the hall of the Purnaiya's choultry was quite full. The meeting was advertised for 3 P.M. but the hall began to fill in only about 3-30 P.M. and by about 4-30 P.M. it was quite full.

Neither was any record kept of the number of disciples and non-disciples of the Mutt who attended the meeting. Except three gentlemen, viz., (1) Mr.M.S.Ramachar, Pleader, Kolar, (2) Mr. Dharma Rao, Retired Amildar and (3) Mr.Narasinga Rao, Pleader, Kolar, the rest of the persons were all of the Smartha persuasion. Two Non-Brahmin gentlemen attended the meeting, viz., Mr.Channappa (Lingayet) Taluk Sheristedar, Kolar, who was on duty helping the Amildar and Mr.Chikkachannanjappa (also Lingayet) who came in in the middle of the meeting but neither of these two gentlemen took part in the discussions or in the voting.

Mr.Dharma Rao left the meeting long before the voting and Mr.Narasinga Rao did not take part in the voting but I understand that Mr.Ramachar did vote on some of the propositions.

It will be seen from the published notice convening the meeting that all " disciples, devotees and people interested in the Mutt " were invited and all the Brahmin gentlemen present (except the three mentioned above) were either disciples of the Mutt or persons interested in the Mutt as belonging to the Smartha community. This feature was common to both the sides who took

part in the discussion. For instance, Mr.Subramanya Sastri who led the discussion and espoused the cause of Sri Onkaranandanatha Swamigalavaru and participated in the voting began by saying that he was not himself a disciple of the Mutt but only interested in its welfare.

No objection was taken at the meeting by any one on any side on this point ; on the contrary when one of the members said that he was not a disciple of the Mutt another member replied that such a hard and fast distinction did not strictly apply and that all devotees interested in the Mutt were entitled to express their views. I do not know if a list is kept any where showing who are the disciples of the Mutt and who are not and for obvious reasons the mere ipse-dixet of a person claiming to be a disciple can not always be accepted without reservation. It was for this reason foreseeing the difficulty of a correct discrimination on this point that the notice calling for the meeting was - worded as it was.

The three Brahmin gentlemen who were not members of the Smartha community were perhaps strictly not entitled to give a vote but as only one gentleman is said to have voted it makes no difference in the ultimate result in respect of the main propositions.

Except Messers Subramanya Sastri, V.B.Srikantaiya, - Sarvothama Rao and Ranga Rao who came from Bangalore City and - district the rest of the persons who attended the meeting were all from Kolar district (Kolar town, Bowringpet taluk, Mulbagal taluk, etc.)

(ii) As stated above the disciples of the Mutt as well as those interested in the Mutt were allowed to vote but the Lingayet gentlemen neither were permitted nor did they vote ; among the Non-Smartha gentlemen one gentleman (Mr.M.S.Rama Char) @ is said to have voted ; all the rest were Smartha Brahmin gentlemen some of whom were disciples of the Mutt and some were not.

Vac and Arab, and are therefore entitled to be counted as absent if

In the circumstances, I would consider that the best course will be to have another general meeting of the Disciples of the Mutt held by the Dy: Coll: after giving wide publicity to the fact and to ascertain their views about the succession to the Mutt. Only persons ascertained to be Disciples of the Mutt should be allowed to take part in the discussions or in the voting at such meeting which may be held at Kolar, Malur, Bowringpet - preferably Kolar, as being more convenient to the Disciples, or at some other suitable place.

Seen. The question will be discussed on the Dy: Comm: Kolar's tour programme & a report of the steps taken for the postponed meeting as early as possible with your final recommendations

"I am in receipt of your Memo No.C.1226/24-25 of the 5th/7th - January 1926 forwarding for information and further action a copy of the Revenue Secretary's letter No.782/Muz.268-24-11 dated 2nd January 1926 in the matter of succession to the Avani Matt. It is suggested therein that another general meeting of only the disciples of the Matt may be convened for ascertaining their wishes at Kolar, Malur or -- Bowringpet - preferably the last mentioned place, as being most ---- conveniently situated for the purpose. As Kolar town offers better facilities for travellers and visitors than Bowringpet I propose to hold the meeting in Kolar town. Kolar is only a forty minutes' ----- journey by rail from Bowringpet and I have no doubt that the disciples of the Matt particularly the orthodox section from whatever quarter they might come would prefer Kolar to Bowringpet."
